ARTICLE II
PURPOSES AND POWERS

1. To engage in any activity or business authorized under the Florida Statutes.
2. In general, to carry on the business of buying, selling, offering for sale, purchasing, managing, investing in, renovating, building, leasing and acquiring real

property, intangible personal property and tangible personal property of every type and kind, and all incidental business; to have and exercise all the powers conferred by the laws of the State of Florida, and to do any and all things set forth in these Articles to the same extent as a natural person might or could do.

3. To purchase or otherwise acquire, undertake, carry on, improve, or develop, all or any of the business, good will, rights, assets, and liabilities of any person, firm, association, or corporation carrying on any kind of business of a similar nature to that which this limited liability company is authorized to carry on, pursuant to the provisions of these Articles; and to hold, utilize, and in any manner dispose of the rights and property so acquired.

4. To enter into and make all necessary contracts for its business with any person, entity, partnership, association, corporation, domestic or foreign, or of any domestic or foreign state, government, or governmental authority, or of any political or administrative subdivision, or department, and to perform and carry out, assign, cancel or rescind any of such contracts.

5. The several clauses contained in this statement of the general nature of the business or businesses to be transacted shall be construed as both purposes and powers of this limited liability company, and statements contained in each clause shall, except as otherwise expressed, be in no way limited or restricted by reference to or inference from the terms of any other clause. They shall be regarded as independent purposes and powers.
