Dear Florida Division of Corporations,

I certify that myself, Valentina Crespo is currently the only agent, manager, founder etc. authorized to be actively filing the information via the Florida Division of Corporations on the [sunbiz.org](http://sunbiz.org) website for document number: L0900011129 ( Kawaii Universe L.L.C.) which was founded November 18, 2009

It has come to my attention that several days ago, on 02/05/2018 the incorrect information was filed. I was not notified of this change, the filing was by unauthorized representatives ( who were previously part of the company ) and 2017 years filing information was also completely changed.

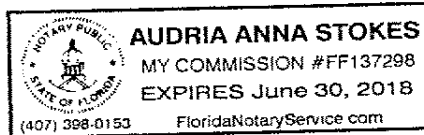

The individuals who filed this annual report on 02/05/2018 also opened a bank account based on the annual report that they submitted.

Below is the correct information which was amended 03/19/2018 to this years annual report, and as it stands, will be the continued information associated for this document number: L0900011129 with no changed to be made unless made by myself, Valentina Crespo
