We cannot add an FEI number until an LLC has been filed and assigned a document number. Your submission is in line now, and when it is finished an e-mail will be sent to you to let you know, and it will include the document number. As soon as you have that, you can reply to this e-mail and let us know your document number and we will forward the information to the proper section so that they can add the FEI in your e-mail below to the filed LLC's record.

Thank you. .
