To whom it may concern. This was never meant to be opened as a LLC. I actually formed a fictitious name back in June 26th, 2009. The registration number is: G09000122917.

My agent who represented me told me that I had to have both. This is not what I wanted at all. As a new business owner I did not understand either. My tax accountant just explained to

me that a sole proprietor is what I needed instead. I do not have any employees at this time only myself. Unfortunately a check for the amount of: \$155 was sent and paid.

Please take me off as a LLC. I am truly sorry for the mess up. I am the only one running my little pet sitting business. Thank you so much for your help.
