Subject: Address listed on SunBiz

RE: Clear Mind Group, LLC., L10000002748

I have 2 questions.

1 - How do I list my EIN on SunBiz, or is it even necessary? I got my EIN today and it is 27-1694692.

2 - My home address is listed on SunBiz as the primary address. My Registered Agent's address does appear on SunBiz now, in addition to my home address. I was under the assumption that having a Registered Agent in Florida allowed me to use only that Registered Agent's address and my home address would not appear online. I work in mental health, and it is not a safety issue for my home address to be that easily accessible. How can I "hide" my address and use only my Registered Agent's address?

Thank you sincerely,
