Subject: EIN number assigned

I am contacting you to provide the Florida Department of State Division of Corporations with my EIN number. I started my corporation on 1/19/2010, and unfortunately, I was under the impression that the I.R.S. would provide this information to the division of corporations once my EIN was assigned and all fees were paid. I finally realized that even though I have paid all my fees, and been assigned my EIN, it is my responsibility to provide the division of corporations with said number. So, I apologize for not providing this number in a timely manner. It is 27-1705451. Once I contacted the help desk, the gentleman there was very helpful, and informed me of the proper procedure to seeing that it appears on sunbiz.org, and also making the division of corporations aware of my LLC's EIN. Thank you for being patient with me throughout this process. I must commend your staff and offer my highest gratitude for their polite demeanor, and most appreciated thanks for directing me towards the proper procedure. thank you,
