No, the IRS does not supply our office with your number.

You may supply your number via e-mail by clicking on "Address & FEI/EIN Changes" on the first page of our website.

Make sure to provide the name and document number of your LLC in your request.

Subject: LLC FEIN

Once I open the LLC and get my Federal Employer Ident. Number from IRS, do I have to let the state know what my FEIN number is or does the state get informed automatically by IRS?
