This information has been provided for educational purposes only and is not an exhaustive examination of the subject matter. It is intended for your general knowledge and is not a substitute for legal advice, medical advice or treatment for a specific medical condition. You must consult your own independent physicians, health care providers or attorneys to ensure all practices and procedures do not violate State rules, regulations or other guidelines. We strongly adhere to the principal that all patient care must ultimately rest in the hands of a licensed practitioner.
