Subject: EIN # question

To whom it may concern:

I have filed and registered my LLC (A & R DESIGNS, LLC) company with the state of Florida (Document Number: L10000039461) on April 13, 2010 but had my EIN # (27-0837846) since August 31, 2009 which is not listed with the companies information on sunbiz.org. Please let me know the necessary steps that need to be taken in order to add the EIN number that is already in existence to the LLC information. Also, in attachment is a copy of the EIN for your reference.

If you have any questions or need any additional information please feel free to contact me.

Thank You,
