When I look up my company name it shows up with document number and active status, but where it says EIN number it says none? I have the letters that say my EIN number is 272575818, how do we add this to sunbiz?

also i just filed a fictitious name (International Academy of Facial Aesthetics) under my company name DentaSpa 272575818. How do i check that it got filed? I paid for certified letter...

thanks for your help,
