

Statement of facts

On September 11th of 2024, Jean Clayd Ferreira da Silva, came to my office at 3363 NE 163RD street, suite 704, NORTH MIAMI, to have a meeting with me regarding an incoming trading show, for a product that one of my companies, PrimeX LLC have to present at that trade show, at that time, Mr Jean was working for my company, PrimeX, at the moment of he's arriving, he asked me if he could use his laptop to do some "work" before our meeting, at that time, I got into another meeting with one of my business partners, and the moment I finished I immediately look for Jean, and for my surprise, he was gone already, I WhatsApp him asked why he did left, and he's answer was;

"I thought your meeting would get longer, so I left..."

First of all, he asked for that meeting, and second of all, my meeting took as long as 30 mins, I'm telling that because, on that day and time, someone, that wasn't me, got access to a digital signing certificate, using a email that I do not recognize and signed a documentation making me resigned from an administrative position on my own company in Brazil without my permission and my knowledge, that signing certificate, was accessed from my office, on that specific time and date, PRIME LPI BUSINESS, owns 90% of my Brazilian company in Brazil, where I owns 100% of Prime lip business LLC.

On July 29th 2024, Jose Felipe Duarte Ferreira, made a assignment without my knowledge, transferring the company PRIME LPI BUSINESS LLC to his own name, where has a signature that I do not recognize as my and do not give permission to do so. At the same date, 29th July 2024, Felipe made another assignment to Mr Daniel Correa, transferring PRIME LPI BUSINESS LLC to Mr Daniel, again, without my knowledge and my permission. I do not recognize any signature in any those assignment documentations presented to make those assignments.
