ARTICLE VI

The Company shall act under the direction of the members (each a "Member"), always pursuant to these Articles and the Operating Agreement.

ARTICLE VII

The membership interests in the Company shall be of one class, each membership interest maintaining voting rights proportional to the Member's membership interest. Equity, profits and losses shall be allocated and distributed in accordance with the Operating Agreement.

Except because of the provisions governing the admittance of new Members by unanimous vote, each Member shall have preemptive rights to purchase membership interests in cash pro rata based on the Member's proportional voting rights pursuant to any offering by the Company.

The Operating Agreement will contain mandatory cash call provisions as specified in the Operating Agreement, as amended.

Except as provided in the Operating Agreement on the Operating Agreement's effective date, the membership interests shall be further limited in that all membership interests, including every portion thereof, shall be subject to the Company's and the Members' rights of first refusal as expressed in the Operating Agreement on the Operating Agreement's effective date.

The membership interests shall have no other limitations other than those specifically mandated by the *Florida Professional Limited Liability Company Act* or as specified in these Articles or the Operating Agreement.

ARTICLE VIII

In accordance with the distribution rules of the Operating Agreement, the Company shall distribute to the Members, prior to the fifteenth (15th) day of the calendar month following the close of each calendar quarter, or as soon thereafter as possible as in accordance with the *Internal Revenue Code of 1986, as amended*, ("IRC"). The Members may forego or reduce the Tax Distribution for any particular Tax Distribution Date upon a unanimous vote within thirty (30) days of the particular Tax Distribution Date for which the Members consider foregoing or reducing a Tax Distribution; but, the Tax Distribution requirements of this Article shall never be waived, estopped or otherwise prevented by any preceding election by the Members to forego or reduce a Tax Distribution.

"Net Cash Flow" means the lesser of (i) the net change of the Company's cash balances during the prior taxable year calculated in accordance with generally accepted accounting principles; and (ii) the Company's cash balances at the end of the year, less

The balance of Net Cash Flow, if any, may be distributed to each Member in proportion to the Membership Interests at times and in amounts as Members determine in accordance with the Operating Agreement.

Members may, by a majority Vote, compel the Company to make distributions of specified amounts and property, and at specified times.

No withdrawing Member is entitled to receive any distribution or the value of the Member's Membership Interest as a result of withdrawal from the Company prior to the Company's liquidation, except as specifically provided in the Operating Agreement.

No Member is entitled to the return of, or interest on, that Member's capital contributions, except as otherwise provided in the Operating Agreement.

ARTICLE IX

The Company shall exist in perpetuity, unless dissolved pursuant to the *Florida Professional Limited Liability Company Act* or as provided in the Operating Agreement.
