Good afternoon to all:

I just took a look at Sunbiz and decided to see if everything for my company was up to date since we'd had that issue with the EIN number a few months ago. Please see below:

## Detail by Entity Name

### Florida Limited Liability Company

WHITE HOUSE CONSTRUCTION CONSULTING, LLC

### Filing Information

Document Number L10000093094

FEI/EIN Number NONE

Date Filed 09/03/2010

State FL

Status ACTIVE

Effective Date 09/02/2010

I don't know if this is an issue or not, but 27-3382704 is what should be listed there. Not sure what happened but it needs to be corrected so there is no future issue I'll have to deal with. Also, the fees paid to your firm exceeded what Paul originally quoted me and regardless, I paid them promptly. Therefore, I do not anticipate receiving an invoice for this matter to be rectified, since I've already paid for it.

Please confirm receipt of this message and advise what needs to happen for this to be right. Four months is long enough for the system to have been updated and I appreciate your help in correcting it.

Best wishes for 2011 and I'll be in touch as soon as I need additional services.

Thanks for your prompt attention.
