Thank you for your e-mail. Your update request is being forwarded to the proper section for processing. Please allow 2 to 3 business days for this update to be processed.

Please remember that your 2011 annual report is due now, and must be filed by May 1, 2011. The Annual Report is due in January of each year and is late if not filed by May 1st. Please note that the annual reports are due by May 1st of each year, and you will always use your same document number to access your report each year. You can file the report as early in each year as you would like. It is the responsibility of each entity to file its report by May 1st of each year. Due to budget restrictions, the Division of Corporations no longer sends reminders by mail. The link for filing the 2011 annual report is in the middle of the first page of www.sunbiz.org.

Thank you.
