WANTS YOU TO KNOW...

Business Identity Theft is a broad term that encompasses a wide variety of crimes involving the unauthorized use of a business identity. Small and midsize companies are tempting targets for criminals. 60% of small businesses close within a year of being victims. In an effort to be more business friendly and to heighten security, the Department of State has instituted an e-mail notification process whereby business entities are sent e-mail notices when any changes are made to their records. This e-mail notice will be sent to the previous e-mail address of record. If the change was not authorized by a principal of the business entity, you will be able to notify the Department utilizing a link provided in the e-mail.

The 2012 Florida Statutes

817.155 Matters within jurisdiction of Department of State; false, fictitious, or fraudulent acts, statements, and representations prohibited; penalty; statute of limitations.—A person may not, in any matter within the jurisdiction of the Department of State, knowingly and willfully falsify or conceal a material fact, make any false, fictitious, or fraudulent statement or representation, or make or use any false document, knowing the same to contain any false, fictitious, or fraudulent statement or entry. A person who violates this section is guilty of a felony of the third degree, punishable as provided in s. [775.082](#), s. [775.083](#), or s. [775.084](#).
