Thank you for letting us know. We are forwarding your EIN to the proper section so that it can be added to our records.

It is not a problem that you got your number before filing with us. That notice is on the site because sometimes people submit a name that is unavailable, and they have to select a different name. If they have already gotten an EIN, then they have to go back to the IRS. We are just trying to save people from that extra step, if possible, but in your case this was not an issue.

Take care.

I didn't realize I was to file the Articles before I applied for the EIN. I did the EIN minutes before filing the articles for the company. The EIN is 27-4630512 for AmorDillo Truck Accessories (company name).

What do I do?
