In order for our office to process your request, we need some sort of legal documentation regarding the name change, you can scan and email the information to our office.

Thank You,

To whom it may concern,

I have recently been married and legally changed my name to my husbands name. My former name was Emily Nawrocke, and now it is Emily Levell.

My company is Emma Lee Designs, LLC.

Please let me know if there are any forms I need to fill out in order to change my managing name on my company to Emily Levell. I have attached my marriage certificate as proof, but please let me know if you need anything else.
