To whom it may concern:

I was notified by Sunbiz via email that changes were made to my business address on February 3, 2022.

My business address was changed without my knowledge to:

2150 Madison Avenue

#21

Hollywood, FL 33022

The change was apparently made on the Sunbiz website by an unknown person(s) using a false email address. I did not authorize this and I do not know this address. My business has never been located outside of Jacksonville, FL.

Please see the corrections on Sunbiz and allow me to use the voucher to amend these changes.
