We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an administratively dissolved/revoked entity. Names of administratively dissolved/revoked entities are not available for one year from the date of administrative dissolution/revocation unless the dissolved/revoked entity provides the Department of State with an affidavit or letter stating that they have no intention of reinstating, therefore, releasing the name for use to another entity.

Adding "of Florida" or "Florida" to the end of a name is not acceptable.

The document number of the name conflict is P11000028508 "VALUEPRO BRANDS CORPORATION".

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

If you have any questions concerning the filing of your document, please call (850) 245-6870.
