Thank you for your concern regarding the name of the new LLC that I am attempting to open. As you noticed the name I am calling the new LLC is, Dotson Developmnet, LLC, which is very similar to the corporation that I already own, Dotson Development, Inc. Since I am the owner of both, I did not think there would be an issue. My intent is to run my construction business through Dotson Development, LLC and not use Dotson Development, Inc. At this point, I have no plan of ever using Dotson Development, Inc as a business and may close it in the future. I want to keep it for a while though, just in case a need arises.

Please let me know if this meets your requirements so I can proceed with setting up my business.

Thank you
