We have received your document for KENTUCKY FLORIDA, LLC and your check(s) totaling \$125.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity. Section 608.406, Florida Statutes, was amended effective July 1, 2007, to require the name of a limited liability company to be distinguishable from the names of all other filings filed with the Division of Corporations, except for fictitious name registrations and general partnership registrations.

Please select a new name and make the correction in all the appropriate places. One or more words may be added to make the name distinguishable from the one presently on file. Adding of Florida or Florida to the end of the name is not acceptable. A search for name availability can be made on the Internet through the Division's records at www.sunbiz.org.

Please note the name of a limited liability company must end with the words "Limited Liability Company," the abbreviation "L.L.C.", or the designation "LLC". The word "Limited" may be abbreviated as "Ltd." and the word "Company" may be abbreviated as "Co." The following suffixes are no longer acceptable: "Limited Company", "L.C.", and "LC".

The document number of the name conflict is A06000000631 (KENTUCKY, LTD).

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's
