RE: THE MERIDIAN OUTFIT, LLC – DOCUMENT #L2000014882

To whom it may concern,

On September 17, 2024, we received an email notice from your department regarding a change to this company's filing. Upon checking the Sunbiz.org website, I found that someone had changed the mailing address and the information in the authorized person(s) detail a second time. Please note that this same type incident occurred on September 10, 2024. On both dates, this was done *without* our knowledge or consent.

I have included the following documents with this letter:

- >Copy of 09/17/2024 email message from your department
- >Copy of the Sunbiz.org page from this date listing incorrect changes
- >Copy of the amended annual report from this date listing incorrect changes
- >Copy of the Sunbiz.org page with the correct changes of 09/10/2024
- >Copy of the statement of fact that we mailed and was subsequently posted on the webpage.

The last time this occurred, we made the necessary changes via your website and incurred costs to make corrections to changes done by others without our consent or knowledge. We did not make changes today, as we do not feel we should incur such costs since we are not responsible for these incorrect and potentially malicious changes. Please investigate to determine who is doing this and who paid such fees.

We are requesting that you make the corrections to our filing at no cost to us and that such changes are made to match the changes we made on September 10, 2024.

In closing, we believe that such necessary and sensitive information in corporate filings and fictitious name filings should not be able to be changed by any unauthorized persons and that such filings should be established and/or amended via a secure system requiring username and password protection.

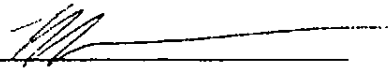

We would greatly appreciate your immediate attention to this matter, as well as making the requested corrections.

Please contact us to confirm and discuss how this can be prevented from occurring again.

Thank you.
