Dear Ms. Saulsberry:

In response to your email message concerning the subject business registration, I wish to confirm that the principals of both entities are identical and close association of the names is intentional and appropriate.

Canam Electric, Inc., has been a registered entity since 2005, with the only named officer being Peter Bourassa. The assets of this company are being sold to a third party, who does not object to Mr. Bourassa establishing a new business with a similar name, which will operate out of the same location as the address listed for Canam Electric, Inc., 302 High Ride Road, Suite 200, Boynton Beach, Florida 33426. In the new business, Can-Am Electric, LLC, Peter Bourassa, is the sole listed member. The only difference in the registration information between these businesses is that I will act as the registered agent for the new LLC. Mr. Bourassa will also submit his application to the Construction Industry Licensing Board to qualify the new business entity until such time as the purchaser of Can-Am Electric, Inc., hires a new qualifier.

Please contact me directly if you require any additional information.

Sincerely,

Charles B. Hernicz
