D. If amending any other information, enter change(s) here: (Attach additional sheets, if necessary.)

Just to clarify, the current registered agent is being changed. Eric Iovino is being removed and Danielle Iovino is being added.

In addition, the effective date should be February 1, 2020 however, I had an extremely difficult time trying to call this office and get through to someone and had to email several times to get a response. With that being said, I put May 1, 2020 as the effective date below that is acceptable, however, if possible it would be correct for the effective date to be listed as February, 2020.

E. Effective date, if other than the date of filing: May 1, 2020 (optional)

**Note:** If the date inserted in this block does not meet the applicable statutory filing requirements, this date will not be listed as the document's effective date on the Department of State's records.

If the record specifies a delayed effective date, but not an effective time, at 12:01 a.m. on the earlier of: (b) The 90th day after the record is filed.
