Subject: Name and EIN number correction

Good Evening,

My name is Chad Wamsley and the owner of Wamsley LLC. I was trying to open a bank account today for my business, but my name is misspelled in a couple places on the document on the sunbiz.org website. Under article 4, my last name is spelled Wmasley when it should read Wamsley. Also, my EIN number is 46-1360078. I need these two pieces of information added to the document so that I can open a bank account for my business and cash the checks. If you could please assist me with this I would really appreciate it.

Thank You,

Chad Wamsley
