SUBJECT: RED SEA STORE LLC  
Ref. Number: W12000053270

We have received your document for RED SEA STORE LLC and your check(s) totaling \$185.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

Florida law does not allow a sole proprietorship to file a conversion. A sole proprietorship is a business owned and operated by one individual. As a sole proprietor, the one individual owner is responsible for making all of the business decisions and all of the debts of the business are considered to be the debts of the one individual owner, as well. The sole proprietorship may or may not conduct business under the one individual owner's legal name. Because the business and the individual are considered as one organization and need each other to co-exist from a legal perspective, a sole proprietorship is not considered a business entity and cannot, therefore, file a conversion under Florida law.

If your sole proprietorship is actually owned and operated by two or more individuals and those individuals serve in the capacity of a partner, your business may not be a sole proprietorship. Your business may meet the definition of a partnership in accordance with Chapter 620, Florida Statutes. Chapter 620, Florida Statutes, allows a partnership to file a conversion. However, the partnership must first file a statement of registration in accordance with section 620.8105, Florida Statutes.

We are enclosing a statement of registration should your business entity meet the criteria of a partnership and you wish to proceed with the conversion. Please note the fee to register a partnership is \$50. To proceed with the conversion, please correct your conversion documents to reflect your current business entity is a partnership and resubmit the conversion documents along with the enclosed registration statement and an additional fee of \$50.

This office strongly suggests that you seek legal advice concerning this matter.

Pursuant to section 608.409(2), F.S., the effective date must be specific, cannot be more than five business days prior to the date of filing or more than 90 days after the date of filing. Our office received your document on October 16, 2012.
