Importance: High

Hello,

Please see the below list for entities in which the principal and/or mailing addresses need to be updated. The entities highlighted in yellow only need mailing address updated via Sunbiz. All the other entities on this list need both the principal and mailing addresses updated.

There are also registered agents and authorized representatives associated with these entities that will also need address change. It is my understanding the attached form must be completed for each individual, as well as a fee for each individual. Would it be possible to make one check for all or does it need to be individual checks? Thank you.

Subject: Change of Address for LLC's

Hello,

We are moving our corporate headquarters and will need to change roughly 30 LLC's mailing addresses, with the principal address being where our new headquarters will be. What is the process for this? Can I provide you a list with all LLC's and the new mailing address and they will be updated that way or is there a certain form to fill out?

Thank you for your time.

Best Regards,
Kelly
