Subject: Corporate filing 800248100308 for Ashford Engineers, LLC

Dear Ms. Bostick:

Pursuant to your email this morning (attached) and our subsequent phone conversation, this is written to explain that I am the sole owner and employee of Ashford Engineers, Inc. (F02000003665) which was incorporated as a subchapter S in Georgia in 1989. I am in the process of closing this corporation and applied yesterday for Ashford Engineers LLC in Florida because I plan to move to Marco Island Florida where I have owned a condo for 6 years.

Once you approve the LLC, I will obtain a new FEI/EIN and Certificate of Authorization from the Board of Professional Engineers. I will probably need to make this same explanation to them.

My house in Georgia is on the market, and as soon as it sells we will claim Florida as our sole residence. I look forward to building a business in SW Florida. Thanks for your help, and please call if I can provide additional information or clarification. I have consulted with our CPA about the proper process for closing the subchapter S corporation and plan to do so by the end of 2013.

Very truly yours,
ashford engineers, inc.

Richard Galpin
