Hurricane Irma, a cat 5 hurricane, came through the Florida Keys and devastated our area, and our business. Despite our best efforts to prepare for this storm and protect our business, equipment, and location and possessions, we lost everything to Hurricane Irma. The hurricane annihilated our area and our entire business, with no chance of recovery or rebuilding. For this reason, we have decided to close as there has been nothing we could do, since preparing for the storm and the devastation left behind.
