RE: Document Number: W13000036900
Entity Name: GULF COAST PETROLEUM TECHNOLOGY, LLC
Tracking Number: 300249273263
Pin Number: 3263

Dear Regulatory Specialist or other personnel,

The following message was received following the filing of the above referenced entity:

"The name designated in your document is unavailable because it is the same as or not distinguishable from an existing entity. If the principals are the same in both entities, please send a letter or affidavit advising us of this association, along with your document so that we may complete the filing process."

Furthermore, the information was given:

"The document number of the name conflict is #V25158, GULF COAST PETROLEUM TECHNOLOGY, INC."

The principal for both entities is my client, Sammy Ward, whose mailing address 2306 W. Burke Street, Tampa, Florida 33604.

His interest is not to change from the corporation to the limited liability but to establish the LLC and ultimately, dissolve the corporation.

Please allow the filing of Gulf Coast Petroleum Technology, LLC and complete the filing as made in June 2013. Notification to my office would be greatly appreciated.

Thank you,

Kathleen M. Fernandez
