Ref. Number: W14000000510

We have received your document for A&S TRANSPORTATION LLC and your check(s) totaling \$150.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity. Section 608.406, Florida Statutes, was amended effective July 1, 2007, to require the name of a limited liability company to be distinguishable from the names of all other filings filed with the Division of Corporations, except for fictitious name registrations and general partnership registrations.

Please select a new name and make the correction in all the appropriate places. One or more words may be added to make the name distinguishable from the one presently on file. A search for name availability can be made on the Internet through the Division's records at www.sunbiz.org.

Please note the name of a limited liability company must end with the words "Limited Liability Company," the abbreviation "L.L.C.", or the designation "LLC". The word "Limited" may be abbreviated as "Ltd." and the word "Company" may be abbreviated as "Co." The following suffixes are no longer acceptable: "Limited Company", "L.C.", and "LC".

Sections 607.1113, 608.4403, 620.2104, and 620.8914, F.S., require the certificate of conversion to be signed by the converting entity as required by applicable law. If the converting entity is a corporation, the certificate of conversion must be signed by a chairman, vice chairman, officer, director, or an incorporator. If the converting entity is a limited liability company, the certificate of conversion must be signed by a member or an authorized representative of a member. If the converting entity is a general partnership or limited liability partnership, the certificate of conversion must be signed by a general partner. If the converting entity is a limited partnership or limited liability limited partnership, the certificate of conversion must be signed by all of the general partners. If the converting entity is another type of business entity, an authorized person must sign the certificate of conversion.
