It has come to our attention through an audit of our records that your entity has improperly designated the address of your registered agent's office.

Florida law requires that an entity designate a street address for the office of the registered agent. The address may be changed by filing the enclosed registered office change form free of charge. Please consider this letter as your 60 days notice that if you do not correct this error by January 9, 2018, your entity will be administratively dissolved. Please send this form back to my personal and confidential attention to ensure the proper filing of this document.

The Florida Statutes require an entity to designate a street address for its principal office address. A post office box is not acceptable for the principal office address. The entity may, however, designate a separate mailing address. The mailing address may be a post office box.

If you have any questions concerning the filing of your document, please call (850) 245-6900.
