Re: Statement of Fact

Office of the Director

Dear Mr. Yarbrough:

My firm Duff Law & Mediation, PLLC was administratively dissolved in September, 2019 for failure to file an annual report. On 3/31/20, without my consent or knowledge, someone named Justin Campbell filed a Limited Liability Company Reinstatement for Duff Law & Mediation naming himself as the CEO of the firm and changing the mailing address to somewhere in Austell, Georgia. I discovered this on April 2, 2020, when I went online at Sunbiz to file articles of reinstatement for the firm.

The Limited Liability Company Reinstatement filed on 3/31/20 is a fraudulent filing. I didn't file the document or authorize it. It was filed without my knowledge or consent. Moreover, I don't know any Justin Campbell, Esq. and he is not the CEO of my firm.

Very truly yours,

Candace R. Duff
