RE: Statement of Fact request to remove public FEIN listing

Please remove the FEIN for Advocate Marketing PR LLC from all public listings for the business on sunbiz.org and elsewhere. An unknown criminal fraudulently opened bank accounts without approval and then used the accounts to commit fraud on other businesses and people. To accomplish this, they opened the account digitally employing the publicly available FEIN.

We've attached the identity theft police report filed with the Tampa Police Department, the identity theft report filed with the FTC and the documentation filed with the bank where the fraud was committed. All are true recitations of fact.

Having a business FEIN in public record not only opens this business to fraud. It can negatively affect the good reputation we've worked years to build.

Kindly notify me of your decision by phone or email below.

Sincerely,

Karen Mess Frashier
