Hi Jenna,

My name is William Lopez. I am the individual that tried to form Advisorfi Group, LLC. I received an email stating that;

"...the document has not been filed for the following: The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity.

The document number of the name conflict is P14000062985..."

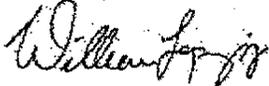

The Document number P1400006295 that is in conflict is a business entity I formed and own as well. I originally formed Advisorfi Group, Inc. (doc no: P1400006295), but was advised by my business law attorney that the appropriate business entity for my situation was a Limited Liability Company. Therefore, I formed and am the Manager of Advisorfi Group, LLC., with Bazynga Holdings, LLC., (Doc L13000086849), which is my holdings company, as the Managing Member.

Could you kindly process the transmitted document number W14000048791, as the name in conflict is a business entity I also own? Please process the Advisorfi Group, LLC.

Once I establish the LLC, I will submit the Articles of Dissolution for Advisorfi Group, Inc. effective immediately.

Any questions, please call me directly at 1-561-596-2998.

Sincerely,

William Lopez, Jr.
