Early learning center of sunrise llc document number I14000146753

I received an email on Thursday November 9th from the division of corporations that sunrise's annual report was amended. I spoke with Pat at sunbiz and told her I didn't amend it. Stacy at sunbiz told me Darn Scott 323-787-9989 paid for the change and changed the manager from elc Broward holdings LLC to my name and address. I tried calling the number and it was blocked. Elc Broward holdings manager is my 100% owned company smd capital Corp.

I did not authorize this change and believe it was fraud.

I was told you will post this for people to see.

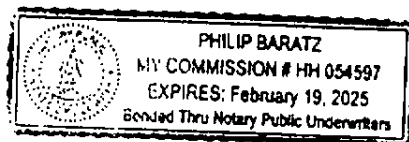

Thank you

Steven Jacoby
