#3 on Articles of Conversion list the corporate suffix.

Sections 607.1113, 605.0203, 620.2104, and 620.8914, F.S., require the certificate of conversion to be signed by the converting entity as required by applicable law. If the converting entity is a corporation, the certificate of conversion must be signed by a chairman, vice chairman, officer, director, or an incorporator. If the converting entity is a limited liability company, the certificate of conversion must be signed by an authorized representative. If the converting entity is a general partnership or limited liability partnership, the certificate of conversion must be signed by a general partner. If the converting entity is a limited partnership or limited liability limited partnership, the certificate of conversion must be signed by all of the general partners. If the converting entity is another type of business entity, an authorized person must sign the certificate of conversion.

Most financial institutions require the name(s) and address(es) of persons authorized to manage the limited liability company be listed on our records in order for the business entity to open a bank account. You may wish to revise your document to include the name, address, and title of such persons. Such titles may include: Manager (MGR), Authorized Member (AMBR), Authorized Person (AP), or Authorized Representative (AR).

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
