As requested in the letter in reference, I am confirming that the principals of the existing entity on records, Document No. T09000001210, and the new filing for the limited liability company, Project On Call, LLC, Articles of Incorporation attached, are the same principals and that there is a direct association between the two documents.

I hope that this clarification in reference to the association between the two documents suffices the requirement to summarize the process of incorporation of the limited liability company as per documentation attached.

In the mean time, do not hesitate to contact us for any additional clarification in reference to this matter.

Thank you for your personalized attention and service.

Respectfully,
