RE: W15000026838

To Whom It May Concern:

I originally submitted my application for a new LLC in April. My request was denied because my name (Family & F.I.T., LLC) was too close to another registered company. I received the declination from you on May 11, 2015.

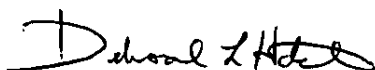

While I spend 200+ days a year traveling (this is no exaggeration), I was able to return your letter within a week of receiving it. I heard nothing. In July, I sent an email to your office inquiring status. After more than a week, I hadn't heard anything and resent my message.

At that point, I was told to call your office - which I did. On the phone, I was told to resubmit my Articles of Incorporation, Change the Name, and resubmit my paperwork. My check has already been cashed.

Your letter from May states that if I don't return everything within 60 days, my filing will be considered abandoned. While it's been more than 60 days without resolution, I have not abandoned the application. I have been attempting to work with you immediately upon receipt of my letter - my response went out within one week, so I am hoping you can still help me. I'm trying to do what needs to be done. The process has been a little less than user friendly.

Attached is the third set of my Articles. I would have submitted this online but I did not receive a code in my letter so the system will not allow me to log in. I look forward to hearing from you.

Sincerely,

Deborah L. Hatch

Entities may file using only the entity's name. Please delete any reference to the "doing business as name" in your document. If you wish to register your fictitious name, you may do so by filing an application and submitting the appropriate fees to this office.

I am sorry but you cannot register an acronym and what it means. So you will to remove the () and the F.I.T. and just register Family & Fitness& Inspiration Together LLC.
