OPERATING AGREEMENT

of

Bricks2Clix, LLC

This Operating Agreement (the "Agreement") made and entered into this 18th day of September, 2015 (the "Execution Date"),

BETWEEN

David E. Olson of 19505 Quesada N-101, Port Charlotte, Florida 33952, and
Dr. Jack W. Hundley of 26410 Rampart Blvd. #713, Punta Gorda, Florida 33983

(individually the "Member" and collectively the "Members").

BACKGROUND

- A. The Members wish to associate themselves as members of a limited liability company.
- B. The terms and conditions of this Agreement will govern the members within the limited liability company.

IN CONSIDERATION OF and as a condition of the Members entering into this Agreement and other valuable consideration, the receipt and sufficiency of which is acknowledged, the parties to this Agreement agree as follows:

Formation

1. By this Agreement the Members form a Limited Liability Company (the "Company") in accordance with the laws of the State of Florida. The rights and obligations of the Members will be as stated in the Florida Limited Liability Company Act (the "Act") except as otherwise provided here.

Name

2. The name of the Company will be Bricks2Clix, LLC.

Purpose

3. The purpose of this company is to provide technology support to organization including but not limited to hardware and software.

Term

4. The Company will continue until terminated as provided in this Agreement or may dissolve under conditions provided in the Act.

Place of Business

5. The Principal Office of the Company will be located at 26410 Rampart Blvd. #713, Punta Gorda, Florida 33983 or such other place as the Members may from time to time designate.

Capital Contributions

6. The following is a list of all Members and their Initial Capital Contributions to the Company. Each of the Members agree to make their Capital Contributions to the Company, full and on time, according to the following terms:

Member	Contribution Description	Value of Contribution	Delivery Date
David E. Olson		\$200.00	18 Sep 2015
Dr. Jack W. Hundley		\$200.00	18 Sep 2015

Distribution of Profits/Losses

7. Subject to the other provisions of this Agreement, the Net Profits or Losses of the Company, for both accounting and tax purposes, will be distributed between the Members in the following manner:

Member	Profit/Loss Percentage
--------	------------------------

Member	Profit/Loss Percentage
David E. Olson	50.00%
Dr. Jack W. Hundley	50.00%

8. Distributions will be made according to the following schedule: Distributions are to be made quarterly.
9. Tax Allocations will be made in the same fixed proportions as the allocation of Net Profits or Losses described above.
10. No Member will have priority over any other Member for the distribution of Net Profits or Losses.

Voting

11. Each Member will have a single equal vote on any matter.

Nature of Interest

12. A Member's interest in the Company will be considered personal property.

Withdrawal of Contribution

13. No Member will withdraw any portion of their Capital Contribution without the unanimous consent of the other Members.

Liability for Contribution

14. A Member's obligation to make their required Capital Contribution can only be compromised or released with the consent of all remaining Members or as described elsewhere in this Agreement. If a Member does not make the Capital Contribution when it is due, he is obligated at the option of the remaining Members to contribute cash equal to the agreed value of the Capital Contribution. This option is in addition to and not in lieu of any others rights, including the right to specific performance that the Company may have against the Member.

Additional Contributions

15. Capital Contributions may be amended from time to time, according to the requirements of the Company provided that the Members' interests are not affected, except with the unanimous consent of the Members. No Member will be required to make Additional Contributions. Whenever additional capital is determined to be required and an individual Member is unwilling or unable to meet the additional contribution requirement within a reasonable period, as required by business obligations, the remaining Members may contribute in proportion to their existing Capital Contributions to resolve the amount in default. In such case the allocation of Net Profits or Losses of the Company among all the Members may be adjusted to reflect the aggregate change in Capital Contributions by the Members.
16. Any advance of money to the Company by any Member in excess of the amounts provided for in this Agreement or subsequently agreed to, will be deemed a debt due from the Company rather than an increase in the Capital Contribution of the Member. This liability will be repaid with interest at such rates and times to be determined by a majority of the Members. This liability will not entitle the lending Member to any increased share of the Company's profits nor to a greater voting power. Resolution of such debts may have preference or priority over any other payments to Members as may be determined by a majority of the Members.

Capital Accounts

17. An individual capital account will be maintained for each Member and their initial Capital Contribution will be credited to this account. Any Additional Contributions made by any Member will be credited to that Member's individual Capital Account.

Interest on Capital

18. No borrowing charge or loan interest will be due or payable to any Member on their agreed Capital Contribution inclusive of any agreed Additional Contributions.

Drawing Accounts

19. An individual drawing account will be maintained for each Member. Each Member will be entitled to draw against their share of the profits in such amounts and at such time as will be agreed by the Members. The drawing account is a temporary account and is expected to have a debit balance if there have been any withdrawals. At the end of each accounting year, the drawing accounts are closed by transferring the debit balance to each Member's capital account.

Compensation of Members for Services Rendered

20. Members will be compensated by the Company for services rendered to or on behalf of the Company.

Management

21. Management of this Company is vested in the Members.

Authority to Bind Company

22. Only the following individuals have authority to bind the Company in contract: all members.

Duty of Loyalty

23. No Member or Manager will engage in any business, venture or transaction, whether directly or indirectly, that might be competitive with the business of the Company or that would be in direct conflict of interest to the Company. Any potential conflicts of interest will be deemed an Involuntary Withdrawal of the offending Member or Manager and may be treated accordingly by the remaining Members. A withdrawing Member or Manager will not carry on a similar business to the business of the Company within any established or contemplated market regions of the Company for a period of at least 2 years after the date of withdrawal.

Duty to Devote Time

24. Each Member will devote such time and attention to the business of the Company as the majority of the Members will from time to time reasonably determine for the conduct of the Company business.

Member Meetings

25. Member meetings will be held at the following address, or any other location that the Members may from time to time designate: as agreed by Members.
26. Any impending Member meeting will require 14 days notice be given to all Members.
27. A meeting may be called by any Member providing that appropriate notice has been provided to the other Members.
28. There must be at least 100.00% of the Members present at a meeting for any decisions to be binding.

Admission of New Members

29. A new Member may only be admitted to the Company with a unanimous vote of the existing Members.
30. The new Member agrees to be bound by all the covenants, terms, and conditions of this Agreement, inclusive of all current and future amendments. Further, a new Member will execute such documents as are needed to effect the admission of the new Member. Any new Member will receive such business interest in the Company as determined by a unanimous decision of the other Members.

Voluntary Withdrawal of a Member

31. No Member may voluntarily withdraw from the Company for a period of 90 days from the execution date of this Agreement. Any such unauthorized withdrawal prior to the expiration of this period will be considered a wrongful dissociation and a breach of this Operating Agreement. In the event of any such wrongful dissociation, the withdrawing Member will be liable to the remaining Members for any damages incurred by the remaining Members including but not limited to the loss of future earnings. After the expiration of this period, any Member will have the right to voluntarily withdraw from the Company. Written notice of intention to withdraw must be served upon the remaining Members at least 30 days prior to withdrawal.
32. The voluntary withdrawal of a Member will have no effect upon the continuance of the Company.
33. It remains incumbent on the withdrawing Member to exercise this dissociation in good faith and to minimize any present or future harm done to the remaining Members as a result of the withdrawal.

Involuntary Withdrawal of a Member

34. Events leading to the involuntary withdrawal of a Member from the Company will include but not be limited to: death of a Member; Member mental incapacity; Member disability preventing reasonable participation in the Company; Member incompetence; breach of fiduciary duties by a Member; criminal conviction of a Member; Operation of Law against a Member or a legal judgment against a Member that can reasonably be expected to bring the business or societal reputation of the Company into disrepute. Expulsion of a Member can also occur on application by the Company or another Member, where it has been judicially determined that the Member: has engaged in wrongful conduct that adversely and materially affected the Company's business;

has willfully or persistently committed a material breach of the Operating Agreement or of a duty owed to the Company or to the other Members; or has engaged in conduct relating to the Company's business that makes it not reasonably practicable to carry on the business with the Member.

35. The involuntary withdrawal of a Member will have no effect upon the continuance of the Company.

Dissociation of a Member

36. In the event of either a voluntary or involuntary withdrawal of a Member, if the remaining Members elect to purchase the interest of the withdrawing Member, the remaining Members will serve written notice of such election, including the purchase price and method and schedule of payment for the withdrawing Member's interest, upon the withdrawing Member, their executor, administrator, trustee, committee or analogous fiduciary within a reasonable period after acquiring knowledge of the change in circumstance to the affected Member. The purchase amount of any buyout of a Member's interest will be determined as outlined in the Valuation of Interest section of this Agreement.
37. In the event the remaining Members are unwilling or unable to purchase the interest of the Dissociated Member due to a voluntary or involuntary withdrawal from the Company then the Members will submit to mediation and, if necessary, binding arbitration for a final resolution. Valuation and distribution will be determined as described in the Valuation of Interest section of this Agreement.
38. The remaining Members retain the right to seek damages from a dissociated Member where the dissociation resulted from a malicious or criminal act by the dissociated Member or where the dissociated Member had breached their fiduciary duty to the Company or was in breach of this Agreement or had acted in a way that could reasonably be foreseen to bring harm or damage to the Company or to the reputation of the Company.
39. On any purchase and sale resulting from the voluntary or involuntary dissociation of a Member, a dissociated Member will only have liability for Company obligations that were incurred during their time as a Member. Immediately upon purchase of a withdrawing Member's interest, the Company will prepare, file, serve, and publish all notices required by law to protect the withdrawing Member from liability for future Company obligations. Where the remaining Members have purchased the interest of a dissociated Member, the purchase amount will be paid

in full, but without interest, within 90 days of the date of withdrawal. The Company will retain exclusive rights to use of the trade name and firm name and all related brand and model names of the Company.

Buyout Agreement

40. In the event of a Member's interest in the Company becoming for sale, due to any reason, the remaining Members of the Company have a right of first purchase on the interest. The value of the interest in the Company will be determined as outlined in the Valuation of Interest section of this Agreement.

Assignment of Interest

41. A Member's financial interest in the Company can only be assigned to another Member and cannot be assigned to a third party.
42. In the event that a Member's interest in the company is transferred or assigned as the result of a court order or Operation of Law, the trustee in bankruptcy or other person acquiring that Member's interest in the Company will only acquire that Member's economic rights and interests and will not acquire any other rights of that Member or be admitted as a Member of the Company or have the right to exercise any management or voting interests.

Valuation of Interest

43. In the absence of a written agreement setting a value, the value of the Company will be based on the fair market value appraisal of all Company assets (less liabilities) determined in accordance with generally accepted accounting procedures. This appraisal will be conducted by an independent accounting firm agreed to by all Members. An appraiser will be appointed within a reasonable period of the date of withdrawal or dissolution. The results of the appraisal will be binding on all Members. A withdrawing Member's interest will be in proportion to their profit and loss share in the Company, less any outstanding liabilities a Member may have to the Company. The intent of this section is to ensure the survival of the Company despite the withdrawal of any individual Member.
44. No allowance will be made for goodwill, trade name, patents or other intangible assets, except where those assets have been reflected on the Company books immediately prior to valuation.

Dissolution

45. The Company may be dissolved by a unanimous vote of the Members. The Company will also be dissolved on the occurrence of events specified in the Act.
46. Upon Dissolution of the Company and liquidation of Company property, and after payment of all selling costs and expenses, the liquidator will distribute the Company assets to the following groups according to the following order of priority:
 - a. in satisfaction of liabilities to creditors except Company obligations to current Members;
 - b. in satisfaction of Company obligations to current Members to pay debts; and
 - c. to the Members in proportion to their profit and loss share in the Company.
47. The claims of each priority group will be satisfied in full before satisfying any claims of a lower priority group. Any excess of Company assets after liabilities or any insufficiency in Company assets in resolving liabilities under this section will be resolved by the Members in proportion to the profit and loss share of each Member as set out in this Agreement.

Records

48. The Company will at all times maintain accurate records of the following:
 - a. Information regarding the status of the business and the financial condition of the Company.
 - b. A copy of the Company federal, state, and local income taxes for each year (promptly after becoming available).
 - c. Name and last known business, residential, or mailing address of each Member, as well as the date that person became a Member.
 - d. A copy of this Agreement and any articles or certificate of formation, as well as all amendments, together with any executed copies of any written powers of attorney pursuant to which this Agreement, articles or certificate, and any amendments have been executed.

- e. The cash, property, and services contributed to the Company by each Member, along with a description and value, and any contributions that have been agreed to be made in the future.

- 49. Each Member has the right to demand, within a reasonable period of time, a copy of any of the above documents for any purpose reasonably related to their interest as a Member of the Company, at their expense.

Books of Account

- 50. Accurate and complete books of account of the transactions of the Company will be kept and at all reasonable times be available and open to inspection and examination by any Member. The Books of Account will be kept on the cash basis method of accounting.

Banking and Company Funds

- 51. The funds of the Company will be placed in such investments and banking accounts as will be designated by the Members. All withdrawals from these accounts will be made by the duly authorized agent or agents of the Members as agreed by unanimous consent of the Members. Company funds will be held in the name of the Company and will not be commingled with those of any other person or entity.

Audit

- 52. Any of the Members will have the right to request an audit of the Company books. The cost of the audit will be borne by the Company. The audit will be performed by an accounting firm acceptable to all the Members. Not more than one (1) audit will be required by any or all of the Members for any fiscal year.

Fiscal Year End

- 53. The fiscal year end of the Company is the 1st day of January.

Tax Treatment

- 54. This Company is intended to be treated as a partnership, for the purposes of Federal and State Income Tax.

Tax Matters Partner

55. The tax matters partner will be David E. Olson, (the "Tax Matters Partner"). The Tax Matters Partner will prepare, or cause to be prepared, all tax returns and reports for the Company and make any related elections that the Members deem advisable.
56. A Tax Matters Partner can voluntarily withdraw from the position of Tax Matters Partner or can be appointed or replaced by a majority of the Voting Members. In the event of a withdrawal of the Tax Matters Partner from the Company, the remaining Members will appoint a successor as soon as practicable.

Annual Report

57. As soon as practicable after the close of each fiscal year, the Company will furnish to each Member an annual report showing a full and complete account of the condition of the Company including all information as will be necessary for the preparation of each Member's income or other tax returns. This report will consist of at least:
- a. A copy of the Company's federal income tax returns for that fiscal year.
 - b. Supporting income statement.
 - c. A balance sheet.
 - d. A breakdown of the profit and loss attributable to each Member.

Mediation and Arbitration

60. In the event a dispute arises out of or in connection with this Agreement, the parties will attempt to resolve the dispute through friendly consultation. If the dispute is not resolved within a reasonable period then any or all outstanding issues may be submitted to mediation in accordance

with any statutory rules of mediation. If mediation is not successful in resolving the entire dispute or is unavailable, any outstanding issues will be submitted to final and binding arbitration in accordance with the laws of the State of Florida. The arbitrator's award will be final, and judgment may be entered upon it by any court having jurisdiction within the State of Florida.

Force Majeure

61. A Member will be free of liability to the Company where the Member is prevented from executing their obligations under this Agreement in whole or in part due to force majeure, such as earthquake, typhoon, flood, fire, and war or any other unforeseen and uncontrollable event where the Member has communicated the circumstance of the event to any and all other Members and where the Member has taken any and all appropriate action to satisfy his duties and obligations to the Company and to mitigate the effects of the event.

Forbidden Acts

62. No Member may do any act in contravention of this Agreement.

66. No Member may confess a judgment against the Company.
67. Any violation of the above forbidden acts will be deemed an *Involuntary Withdrawal* of the offending Member and may be treated accordingly by the remaining Members.

Indemnification

68. All Members will be indemnified and held harmless by the Company from and against any and all claims of any nature, whatsoever, arising out of a Member's participation in Company affairs. A Member will not be entitled to indemnification under this section for liability arising out of gross negligence or willful misconduct of the Member or the breach by the Member of any provisions of this Agreement.
