To Whom This May Concern:

I am writing this letter to inform the necessary parties that my business was fraudulently dissolved on January 31, 2024. I was not made aware of this until I attempted to renew my LLC by filing an annual report on May 1<sup>st</sup>. Obviously, I could not file an annual report and needed to file a Revocation of Dissolution. Included with this report is also a police report of the dissolution without my knowledge and consent.
