We have received your document for MJ ANGELO CONSULTING, LLC and your check(s) totaling \$185.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The effective date of the conversion cannot be prior to the date of filing nor more than 90 days after the date of filing and must be the same as the effective date listed in the Florida Articles of Incorporation, if any.

The Certificate of Conversion must be signed by an authorized person:

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
