Articles of Dissolution for A Limited Liability Company

4. A description of occurrence that resulted in the limited liability company's dissolution pursuant to section 605.0707, Florida Statutes.

In October, 2015, I signed up with a major company and its affiliates for training for how to sell on eBay and a website. Only the website carries my company's name, HM Global Enterprises, LLC. Early November, 2015, I fell injuring my back and I could not sit for long periods of time at my computer attempting to do the homework assignments from my coaches. I fell behind in my assignments and even had to cancel appointments due to my fall. Not being able to complete what needed to be done to get my website completed and not selling one item on eBay, the stress has gotten to me and I have advised the companies whom I signed up with for training that I was not able to continue any longer. Having no assistants, attempting to run my business from my home, yardwork and housework have fallen behind and I do help some elderly people which is also time consuming. I will turn 71 this year and just simply got into a program that turned out to be too much for me.
