We have received your document for GORDON, GORDON, GORDON, 3G'S, "LLC" and your check(s) totaling \$130.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

A business entity may not serve as its own registered agent. Please designate an individual or another business entity with an active registration or filing with this office, having a Florida street address identical with that of the registered office.

You must insert the letters "MGRM" beside the name and address of each managing member and/or the letters "MGR" beside the name and address of each manager listed in the document.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

To make the necessary corrections and resubmit your filing, return to our website and access electronic filing, then online filing. Choose to update your request by using the confirmation number and the pin number listed above. For any questions concerning the website, please call 850-245-6939. **Please disregard this letter, if you have contacted our office and were advised how to correct your document online.**

If you have any further questions concerning your filing, please call (850) 245-6052.
