SunBiz Fraud Department,

After almost ten years of having it concealed from me, I just discovered my name listed on Best Choice Food & Beverage LLC. I never gave consent and was never informed that my name was being added to another failing business started by Russell Rickon. He also added another member on another LLC without consent.

Russell Rickon adds innocent people's names as a way to try to make them liable financially. In the past he has fraudulently placed business tax lien and judgements on innocent people assigning them titles "members", "MGR", "AMBR", etc. without their knowledge or consent.

This is my written notice that I never consented to being listed on any LLC and it was done without my knowledge or consent and I want my name removed as an AMBR. Russell Rickon should be prosecuted for fraudulently adding names to his businesses he never pays his debts and all of his business partners have lost money due to his history of theft and failure. It is intentional fraud.

BEST CHOICE FOOD & BEVERAGE, LLC

REPORT Event Date File d09/28/2018

**Even though it has been dissolved, I want my name permanently removed because I never gave consent in the first place. I have other witnesses of his fraud and he has hurt innocent people who never wanted to be his business partner and those who have been victims of his fraud in various forms. I would like to press charges.**

Thank you for protecting Florida citizens who are victims of having their name added to businesses without their knowledge or consent. I have enclosed a copy of my Florida License to confirm my identification. I wish I had been afforded that opportunity before he was permitted to fraudulently add my name without my consent.

Feel free to contact me with any questions and report this to your fraud department,
