Statement of Fact

Good morning,

RE: Document number L16000030930

My name is Alexcia Frankson-Jones.

I have recently discovered that my business created on February 12, 2016, has been reinstated by someone I do not know. The person that has fraudulently reinstated my business using my exact name and EIN without my permission or knowledge is (Sheries Hill). Her principal address is 1009 Belmont Place Boynton Beach FL 33436. Her Mailing address is 4984 Pelican Manor, Coconut Creek FL 33073. I spoke with a representative from Florida Sun Biz named Sheila who advised me that this can be resolved by emailing a notarized statement of fact. I am going to update the information on the LLC to reflect that I am the current CEO as this business is owned by me and I did not give any one authorization to do any business on my behalf. It should be know that I did not authorize anyone to reinstate my business, make changes to my account nor the company information.

I have no affiliation and do not know the person that made these changes. These changes were again made without my knowledge or permission fraudulently.

I was advised this could be added to my file. I am appreciative of any assistance to get this issue resolved. I do not want this person making any further changes to this entity that does not belong to them.

Kind regards,

Alexcia Frankson-Jones
