RE: Fraudulently Reinstatement of Business
Document NO: L16000074113

To whom it may concern, I Rothea K Hamrick is the owner of K's Kitchen. I have never given permission to Alfred Berry or his entity to act on behalf of the Business that was originated and initiated by myself on April 14 of 2016. I have included an Electronic Copy of the initial Articles of Organization for Limited Liability Company as proof of ownership. Year after year, I have tried renewing by filing the annual report, however I was always too late. This year I've completed the renewal, however said individual has done an amendment to have the information reverse to his name without my permission. He had done so for the sole purpose of trying to acquire the name. Mr. Berry has successfully completed an amendment to have this information reversed again to his personal information, which brings me back to writing this letter to have this matter resolved once and for all. Upon speaking with a representative of your agency, I was advised that I should send this information to have it corrected.

Your Cooperation in this matter would be greatly appreciated and respected.

As per your request I have attached the following items to support this case:

- Driver's License
- Electronic Articles Of Organization
- Certificate of Status
- EIN letter
