The entity's first annual report form will be due January 1<sup>st</sup> of the calendar year following the year of formation. If a limited liability company is created late in the calendar year and it doesn't expect to commence business until on or after January 1<sup>st</sup> of the upcoming year, it should add an effective date of January 1 for the coming year.

If the effective date is in the next calendar year, it will delay the requirement to file an annual report until the following calendar year. Example: A limited liability company is formed December 1, 2007. If it added an effective date of January 1, 2008, the first annual report would not be due until January 1, 2009. If a 2008 effective was not listed, the first annual report would be due January 1, 2008.

**Signature:**

Articles of Organization must be executed by an authorized person, and the execution of the document constitutes an affirmation under the penalties of perjury that the facts stated therein are true.

**FILING FEES:**

**\$ 30.00 Certified Copy (OPTIONAL)**

**\$ 5.00 Certificate of Status (OPTIONAL)**

A letter of acknowledgment will be issued free of charge upon registration. Please submit one check made payable to the Florida Department of State for the total amount of the filing fees and any optional certificate or copy.
