Good Morning,

I submitted an application on sunbiz.org last week for new company called Macclenny Hospitality, LLC. I received notification via email that the document had not been filed because the name we designated in our request was the same as or not distinguishable from the name of an existing entity. The tracking number on response to our request is 900288582089. We need this company to be in a different company than the one originally set up in 2008. We would like to request that the name be released for availability for our other company. The name of existing company is Macclenny Hospitalities, LLC, document number L08000105115. We have no intention of using the existing company for any future projects and would like it to be inactivated.

If I need to submit any additional documentation please advise.

Sincerely,

Jane P Motley  
Manager
