OPERATING AGREEMENT
of
Tolden Financial Group LLC

This Operating Agreement (the "Agreement") made and entered into this 27th day of September, 2016 (the "Execution Date"),

BETWEEN:

Robin Abrams-Tolden of 543 Tikell Drive, Crestview, Florida 32536, and
Dimitri M. Tolden of 543 Tikell Drive, Crestview, Florida 32536

(individually the "Member" and collectively the "Members").

BACKGROUND:

- A. The Members wish to associate themselves as members of a limited liability company.
- B. The terms and conditions of this Agreement will govern the members within the limited liability company.

IN CONSIDERATION OF and as a condition of the Members entering into this Agreement and other valuable consideration, the receipt and sufficiency of which is acknowledged, the parties to this Agreement agree as follows:

Formation

1. By this Agreement the Members form a Limited Liability Company (the "Company") in accordance with the laws of the State of Florida. The rights and obligations of the Members will be as stated in the Florida Limited Liability Company Act (the "Act") except as otherwise provided here.

Name

2. The name of the Company will be Tolden Financial Group LLC.

Purpose

3. This company is organized for the conduct of any or all lawful affairs for which a limited liability company may be organized.

Term

4. The Company will continue until terminated as provided in this Agreement or may dissolve under conditions provided in the Act.

Place of Business

5. The Principal Office of the Company will be located at 543 Tikell Drive, Crestview, Florida 32536 or such other place as the Members may from time to time designate.

Capital Contributions

6. The following is a list of all Members and their Initial Contributions to the Company. Each of the Members agree to make their Initial Contributions to the Company, full and on time, according to the following terms:

Member	Contribution Description	Value of Contribution	Delivery Date
Robin Abrams-Tolden	This member will contribute administration and consulting services.	\$1,850.00	27 Sept 2016
Dimitri M. Tolden	This member will contribute cash and financial services.	\$1,850.00	27 Sept 2016

Allocation of Profits/Losses

7. Subject to the other provisions of this Agreement, the Net Profits or Losses, for both accounting and tax purposes, will accrue to and be borne by the Members in equal proportions.

8. Distributions will be made quarterly.
9. Each Member will receive an equal share of any Distribution.
10. No Member will have priority over any other Member for any Distribution.

Nature of Interest

11. A Member's interest in the Company will be considered personal property.

Withdrawal of Contribution

12. No Member will withdraw any portion of their Capital Contribution without the unanimous consent of the other Members.

Liability for Contribution

13. A Member's obligation to make their required Capital Contribution can only be compromised or released with the consent of all remaining Members or as otherwise provided in this Agreement. If a Member does not make the Capital Contribution when it is due, he is obligated at the option of the remaining Members to contribute cash equal to the agreed value of the Capital Contribution. This option is in addition to and not in lieu of any others rights, including the right to specific performance that the Company may have against the Member.

Additional Contributions

14. Additional Contributions may be required from time to time as determined by a majority vote of the Members. Where Additional Contributions are determined to be required and where an individual Member is unwilling or unable to meet this requirement within a reasonable period, the remaining Members may contribute in proportion to their existing Capital Contributions to resolve the amount in default.
15. Any advance of money to the Company by any Member in excess of the amounts provided for in this Agreement or subsequently agreed to, will be deemed a debt due from the Company rather than an increase in the Capital Contribution of the Member.

This liability will be repaid with interest at such rates and times to be determined by a majority of the Members. This liability will not entitle the lending Member to any increased share of the Company's profits nor to a greater voting power. Satisfaction of such debts will have priority over any other payments to Members.

Capital Accounts

16. An individual capital account (the "Capital Account") will be maintained for each Member and their Initial Contributions will be credited to this account. Any Additional Contributions made by any Member will be credited to that Member's individual Capital Account.

Interest on Capital

17. No borrowing charge or loan interest will be due or payable to any Member on their agreed Capital Contribution inclusive of any agreed Additional Contributions.

Compensation of Members for Services Rendered

18. Members will not be compensated by the Company for services rendered to or on behalf of the Company, except reimbursement for expenses directly related to the operation of the Company.

Management

19. Management of this Company is vested in the Members.

Authority to Bind Company

20. Only the following individuals have authority to bind the Company in contract: Robin Abrams-Tolden and Dimitri Tolden.

Duty of Loyalty

21. Any Member may invest in or engage in any business of any type, including without limitation, a business that is similar to the business of the Company whether or not in direct competition with the Company and whether or not within the established or

contemplated market regions of the Company. A Member will have no obligation to present any opportunity to the Company. Neither the Company nor any Member will have any right to that opportunity or any income derived from that opportunity.

Duty to Devote Time

22. Each Member will devote such time and attention to the business of the Company as the majority of the Members will from time to time reasonably determine for the conduct of the Company's business.

Member Meetings

23. Member meetings will be held at a time and in a location that is reasonable, convenient and practical considering the situation of all Members.
24. A meeting may be called by any Member providing that appropriate notice has been provided to the other Members.
25. Regular meetings of the Members will be held quarterly.

Voting

26. Each Member will have a single equal vote on any matter.

Admission of New Members

27. A new Member may only be admitted to the Company with a unanimous vote of the existing Members.
28. The new Member agrees to be bound by all the covenants, terms, and conditions of this Agreement, inclusive of all current and future amendments. Further, a new Member will execute such documents as are needed to effect the admission of the new Member. Any new Member will receive such business interest in the Company as determined by a unanimous decision of the other Members.

Voluntary Withdrawal of a Member

-
29. Any Member will have the right to voluntarily withdraw from the Company.
 30. The voluntary withdrawal of a Member will have no effect upon the continuance of the Company.
 31. It remains incumbent on the withdrawing Member to exercise this dissociation in good faith and to minimize any present or future harm done to the remaining Members as a result of the withdrawal.

Involuntary Withdrawal of a Member

32. Events leading to the involuntary withdrawal of a Member from the Company will include but not be limited to: death of a Member; Member mental incapacity; Member disability preventing reasonable participation in the Company; Member incompetence; breach of fiduciary duties by a Member; criminal conviction of a Member; Operation of Law against a Member or a legal judgment against a Member that can reasonably be expected to bring the business or societal reputation of the Company into disrepute. Expulsion of a Member can also occur on application by the Company or another Member, where it has been judicially determined that the Member: has engaged in wrongful conduct that adversely and materially affected the Company's business; has willfully or persistently committed a material breach of this Agreement or of a duty owed to the Company or to the other Members; or has engaged in conduct relating to the Company's business that makes it not reasonably practicable to carry on the business with the Member.
33. The involuntary withdrawal of a Member will have no effect upon the continuance of the Company.

Dissociation of a Member

34. In the event of either a voluntary or involuntary withdrawal of a Member, if the remaining Members elect to purchase the interest of the withdrawing Member, the remaining Members will serve written notice of such election, including the purchase price and method and schedule of payment for the withdrawing Member's interest, upon the withdrawing Member, their executor, administrator, trustee, committee or analogous fiduciary within a reasonable period after acquiring knowledge of the change in

circumstance to the affected Member. The purchase amount of any buyout of a Member's interest will be determined as outlined in the Valuation of Interest section of this Agreement.

35. Valuation and distribution will be determined as described in the Valuation of Interest section of this Agreement.
36. The remaining Members retain the right to seek damages from a dissociated Member where the dissociation resulted from a malicious or criminal act by the dissociated Member or where the dissociated Member had breached their fiduciary duty to the Company or was in breach of this Agreement or had acted in a way that could reasonably be foreseen to bring harm or damage to the Company or to the reputation of the Company.
37. On any purchase and sale resulting from the voluntary or involuntary dissociation of a Member, a dissociated Member will only have liability for Company obligations that were incurred during their time as a Member. Immediately upon purchase of a withdrawing Member's interest, the Company will prepare, file, serve, and publish all notices required by law to protect the withdrawing Member from liability for future Company obligations. Where the remaining Members have purchased the interest of a dissociated Member, the purchase amount will be paid in full, but without interest, within 90 days of the date of withdrawal. The Company will retain exclusive rights to use of the trade name and firm name and all related brand and model names of the Company.

Buyout Agreement

38. In the event of a Member's interest in the Company becoming for sale, due to any reason, the remaining Members of the Company have a right of first purchase on the interest. The value of the interest in the Company will be determined as outlined in the Valuation of Interest section of this Agreement.

Assignment of Interest

39. A Member's financial interest in the Company can only be assigned to another Member and cannot be assigned to a third party.

40. In the event that a Member's interest in the company is transferred or assigned as the result of a court order or Operation of Law, the trustee in bankruptcy or other person acquiring that Member's interest in the Company will only acquire that Member's economic rights and interests and will not acquire any other rights of that Member or be admitted as a Member of the Company or have the right to exercise any management or voting interests.

Valuation of Interest

41. In the absence of a written agreement setting a value, the value of the Company will be based on the fair market value appraisal of all Company assets (less liabilities) determined in accordance with generally accepted accounting principles. This appraisal will be conducted by an independent accounting firm agreed to by all Members. An appraiser will be appointed within a reasonable period of the date of withdrawal or dissolution. The results of the appraisal will be binding on all Members. A withdrawing Member's interest will be in proportion to their profit and loss share in the Company, less any outstanding liabilities a Member may have to the Company. The intent of this section is to ensure the survival of the Company despite the withdrawal of any individual Member.
42. No allowance will be made for goodwill, trade name, patents or other intangible assets, except where those assets have been reflected on the Company books immediately prior to valuation.

Dissolution

43. The Company may be dissolved by a unanimous vote of the Members. The Company will also be dissolved on the occurrence of events specified in the Act.
44. Upon Dissolution of the Company and liquidation of Company property, and after payment of all selling costs and expenses, the liquidator will distribute the Company assets to the following groups according to the following order of priority:
- a. in satisfaction of liabilities to creditors except Company obligations to current Members;

- b. in satisfaction of Company obligations to current Members to pay debts; and
 - c. to the Members in proportion to their profit and loss share in the Company.
45. The claims of each priority group will be satisfied in full before satisfying any claims of a lower priority group. Any excess of Company assets after liabilities or any insufficiency in Company assets in resolving liabilities under this section will be resolved by the Members in proportion to the profit and loss share of each Member as set out in this Agreement.

Records

46. The Company will at all times maintain accurate records of the following:
- a. Information regarding the status of the business and the financial condition of the Company.
 - b. A copy of the Company federal, state, and local income taxes for each year, promptly after becoming available.
 - c. Name and last known business, residential, or mailing address of each Member, as well as the date that person became a Member.
 - d. A copy of this Agreement and any articles or certificate of formation, as well as all amendments, together with any executed copies of any written powers of attorney pursuant to which this Agreement, articles or certificate, and any amendments have been executed.
 - e. The cash, property, and services contributed to the Company by each Member, along with a description and value, and any contributions that have been agreed to be made in the future.
47. Each Member has the right to demand, within a reasonable period of time, a copy of any of the above documents for any purpose reasonably related to their interest as a Member of the Company, at their expense.

Books of Account

48. Accurate and complete books of account of the transactions of the Company will be kept in accordance with generally accepted accounting principles (GAAP) and at all reasonable times will be available and open to inspection and examination by any Member. The books and records of the Company will reflect all the Company's transactions and will be appropriate and adequate for the business conducted by the Company.

Banking and Company Funds

49. The funds of the Company will be placed in such investments and banking accounts as will be designated by the Members. All withdrawals from these accounts will be made by the duly authorized agent or agents of the Members as agreed by unanimous consent of the Members. Company funds will be held in the name of the Company and will not be commingled with those of any other person or entity.

Audit

50. Any of the Members will have the right to request an audit of the Company books. The cost of the audit will be borne by the Company. 53. A Tax Matters Partner can voluntarily withdraw from the position of Tax Matters Partner or can be appointed or replaced by a majority of the Voting Members. In the event of a

withdrawal of the Tax Matters Partner from the Company, the remaining Members will appoint a successor as soon as practicable.

Annual Report

54. As soon as practicable after the close of each fiscal year, the Company will furnish to each Member an annual report showing a full and complete account of the condition of the Company including all information as will be necessary for the preparation of each Member's income or other tax returns. This report will consist of at least:

Force Majeure

57. A Member will be free of liability to the Company where the Member is prevented from executing their obligations under this Agreement in whole or in part due to force majeure, such as earthquake, typhoon, flood, fire, and war or any other unforeseen and uncontrollable event where the Member has communicated the circumstance of the event to any and all other Members and where the Member has taken any and all appropriate action to satisfy his duties and obligations to the Company and to mitigate the effects of the event.

Forbidden Acts

58. No Member may do any act in contravention of this Agreement.

59. No Member may permit, intentionally or unintentionally, the assignment of express, implied or apparent authority to a third party that is not a Member of the Company.

61. No Member will have the right or authority to bind or obligate the Company to any extent with regard to any matter outside the intended purpose of the Company.
62. No Member may confess a judgment against the Company.
63. Any violation of the above forbidden acts will be deemed an Involuntary Withdrawal of the offending Member and may be treated accordingly by the remaining Members.

Indemnification

64. All Members will be indemnified and held harmless by the Company from and against any and all claims of any nature, whatsoever, arising out of a Member's participation in Company affairs.
